Overview

The Mitsubishi Diamond 927 Series offers the pinnacle in performance; the best Mitsubishi picture ever.

Each model includes Mitsubishi's new high output 150 Watt 1080p DLP® light engine coupled with a new generation of advanced digital signal processing for unprecedented picture quality. The all-new Mitsubishi digital light engine features DarkDetailer™ for deep blacks and rich dark scene detail. And the removable anti-glare, high contrast Diamond Shield™ protects the screen while optimizing picture performance.

With Mitsubishi ClearThought™ technology, digital TV becomes a breeze. Each model is equipped with two HDTV tuners, a CableCARD™ slot, a 250GB digital video recorder (DVR) that stores up to 25 hours of HD or 135 hours of SD/analog programming, plus TV Guide On Screen®. Mitsubishi even adds an ultra-high resolution 1080p Media PC input for the latest generation of HD multimedia applications.

Get the Perfect Picture Every Time

- Mitsubishi Exclusive 1080p DLP® Light Engine
- Dark Detailer™
- Plush1080p™
- PerfectColor™
- Digital Cable Ready (DCR) with CableCARD™ Slot
- DeepField™ Imager (switchable)
- SharpEdge™ (switchable)
- Removable Anti-Glare, High Contrast Diamond Shield™
- High Output 150 Watt Lamp

Watch TV Your Way

- TV Guide On Screen®
- NetCommand® 5.0
- HD-DVR (250GB)*
- 1080p Media PC Input
- 2 HD Tuners*
- 2 HDMI™ Inputs
- 3 Component Inputs
- Multi-Format Memory Card Reader
- 2 IEEE 1394 Rear Inputs
- Front IEEE 1394 with DV Decoder
- Digital Audio Output for All Analog and A/V Sources
- Fully Illuminated Remote Control

* Due to unidirectional CableCARD™ limitations, it is not possible to simultaneously view or record two digital channels via the CableCard™ input. Descriptions and specifications subject to change without notice. The dimensions are approximate for general information when deciding the locations and placements of the product. When creating a custom-built environment for this product, please take exact measurements from the specific unit to be installed before doing any finished carpentry. When installing the unit, allow for air circulation, ventilation, and variations due to manufacturing tolerances. The cosmetic appearance of the product may vary from that depicted here.
